### **Thank you to our Board Members who have completed their terms:**

Jackie Osterud, Dean Grell and Vern Johnson. All have been committed members, working to help you and the Purple Hawk. Thank you!!

**Thank you, Dave Rosfen, for donating this awesome sign! What a great entrance to our course!**

## WELCOME SCOTT MELBY

Please welcome Scott Melby to the Purple Hawk! Scott is already hard at work assessing our course to see what needs to be done and what can be done. He's been working with our maintenance crew (awesome crew) and getting a plan together. Scott brings a wealth of experience and ideas to help our course and its members.

*Welcome, Scott!*

## DID YOU KNOW?

We have so many people who step up to get the "little things" done and never say a word! Let's take this time to thank those "we know of". If you know of someone quietly volunteering, let us know so we can recognize them!

**Jon Dunbar, Jon Pesicka & Chuck Osterud** – dethatched the range, leveled with dirt, seeded, and watered.

**Don Pyykola** – fills our ball washers every week for years.

**Ron Majzner** – continuous "tech support" and research whenever we need it.

**Bob Johnson, Doug Schmitz** – fill our carts with gas every week for years.

**Lance Oelrich Jr.** – researched and installed our new cameras.

## JON SWANSON MEMORIAL

The Jon Swanson Memorial Scoreboard planning is in full swing! Thank you to Joel Grams for working on the plans and options available to us. When we have a finalized layout or plan picture of the scoreboard, we will share it with everyone. The group working on the plan includes Joel Grams, Chuck Osterud, Steve Kast, Terri Kast, Diane Anlauf, Mark Leaf, Matt Grell and Bev Paron. Feel free to ask any of us what's happening.

## JUNIOR GOLF FOUNDATION

We have a great team working on the Purple Hawk Jr. Golf Foundation! The current board members are Steve Kast, Chuck Osterud, Joel Lund, Joe Washleski, Scott Westman, Lauren Kiesz and Matt Grell. More than \$12,000 has been donated by businesses, groups, and individuals, at the time of this newsletter. *What a generous community we have!* When we have a final list of 2021 donations, we will get that information out to you. We have also *more than doubled* our enrollment in the junior camps provided at the Hawk!

## FLOCK TO THE HAWK

It's here! The 4<sup>th</sup> Annual Flock to the Hawk course fundraiser!

**When: Saturday June 26 @ 10am (shotgun)**

**What's needed:** YOU and a TEAM! Spread the word!

**Who can help:** Anyone! We need volunteers for hole events, volunteers to sell tickets during the event and volunteers to be around to run for Matt. If you have an interest in

volunteering, please contact Matt in the Pro Shop. There will be flyers posted around the Pro Shop and at the bar area for detailed information.

**What does the fund raiser money go toward?** We have a list a mile long for the course and equipment. At the "top" of page 1. . . is a new Lift in the maintenance shed for easier access to maintain our equipment. A sprayer for chemicals is needed not only to save money but to have a better application to the grass. Sand Traps . . . I know, you've heard that forever! Yes, we want to try fixing one hole first, #18 traps by the green, to test out a different type of sand that is also *somewhat* affordable. Those are the top three right now, but as most of you are aware, these things are expensive! This fundraiser is our main event to improve our course. Improve the equipment life, *need a lift*. Improve the grass, *need a sprayer*, improve the sand, *need new sand* that works with our environment of a sand/clay ground.

**What if I will be out of town and can't help?** Well we have the answer for you . . . **DONATE!!!** This is a member-owned course that would appreciate any amount of donation! Non-members enjoy our course – let's get to encouraging play and selling some cash drawing tickets for the **Flock to the Hawk!** *See you there!*

## Izzy the Muskrat Killer

Guess who owns this dog . . . or who this DOG owns . . .
