A little bit about the day . . . from Bev

**Last Minute Volunteers:** Thank you again, to everyone who stepped up when we were looking for volunteers!

**Food:** There have been comments on the quality of our spaghetti dinner after the event. I would ask that you show grace, to Bobby, as he was left on his own without a plan from the Flock Committee. We have been so accustomed to Jeanne (Hawks Nest) handling the food, we FORGOT to talk to Bobby about how we deliver and set up for the event. Unfair to Bobby, so we ask for grace in this area.

**Events:** There were comments from some that we had too many holes where we were looking for money. Very understandable with 3 on the front, and 3 on the back. Those three holes did very well in the fundraising area, but we will look at everything again, next year. We had two new events - #13 Fast Pass and #16 Take a Chance. Your feedback on those events would be appreciated!

## JON SWANSON MEMORIAL

The Jon Swanson Memorial Scoreboard planning is in full swing! Thank you to Joel Grams for working on the plans and options available to us. When we have a finalized layout or plan picture of the scoreboard, we will share it with everyone. The group working on the plan includes Joel Grams, Chuck Osterud, Steve Kast, Terri Kast, Diane Anlauf, Mark Leaf, Matt Grell and Bev Paron. Feel free to ask any of us what's happening. The goal is to begin digging the 2<sup>nd</sup> week of July and a memorial/dedication ceremony is planned for Saturday, August 14, Club Championship weekend.
