## Year End Information

It's been a while since you have received any "Hawk News". This is a brief newsletter to provide as much information as we can at this time. Memories from late summer and fall will be sent out in January 2022. We are currently in process of updating our website.

## Search for Head Professional

We continue to post our position on the PGA site, with very few applications coming in at this time. This site is actively used for all PGA positions. We will be including other options, including our website, for advertising as soon as possible. Spread the word!

## Year-end Financials

We do not have October entries in the books yet. Until those numbers are entered, we will have to wait for official year-end numbers for you. It is our anticipation that Matt will finalize the year-end entries at his earliest convenience. A special thanks to Chuck Osterud and Ron Majzner for their unending efforts to update our computer system and learn the systems that were in place already. Both have spent many hours trying to get things in order.

## Chits Remaining

We are trying to verify the chit's balance and should have a better understanding of the true outstanding balances soon. Anyone who had chits remaining in 2021 will have those chits carried over to 2022. This is an exception year for carry overs, due to the low inventory available at year end. Our plan is to email those that have remaining balances, but that may be in January 2022. Chits are not to be used to pay memberships.

## Membership Rates – 2022

Member rates for 2022 will be the same as 2021. Carts and range balls will also remain the same. We hope to have an email out in December. Early payment discounts will continue as in previous years, thru February 15, 2022.

## Tournament Committee

We are excited to announce we have formed a Tournament Committee to work closely with our new Head Professional when we hire one. This is a group of members, led by Todd Schoenecker, who will try to create some new ideas to generate revenue from both internal and external golf events. Committee members are Todd, Leah Schoenecker, Jon Dunbar, Jon Pesicka, and Jeff Chromy. More details will come in early Spring, regarding this committee and its function.

## Hawks Nest

At this time, we anticipate the Hawks Nest remaining with the golf course. Things could change over the winter, but we will plan to provide bar services in 2022.

## PHJGF

The Purple Hawk Junior Golf Foundation remains very active with planning for 2022.

## Thanks a Million!

Gary Tollefson, long-time Purple Hawk member and grounds crew leader, has decided to retire "for real" this time! There are no words of thanks large enough to cover the many hours of work he has done over the years for the Purple Hawk. Always available, always helpful, always a friend! We will miss your leadership on the course but will enjoy seeing you golfing more! Thank you, Gary!
