**Current Board Members:** President, Bev Paron; Vice President, Rick Selz; Treasurer, Chuck Osterud; Secretary, Diane Anlauf; Mark Leaf, Todd Schoenecker, Jeff Reichel and Jay Young.

## WELCOME JIM CARLSON

Jim has been in "full swing" since starting with the Purple Hawk and is answering as many emails as possible from members and groups looking for a tournament host. For now, the best email for a response is the [info@purplehawk.com](mailto:info@purplehawk.com) email. Please also check Facebook and our website frequently as this is our best way to communicate right now. **We are planning a Meet & Greet for Jim in late April, tying it into the Annual Meeting.**

Pro Shop inventory is being ordered with Jim trying to be sure we have a good supply of what is needed to begin the season. Jim has been working closely with **Ron Majzner** to get the computer up to speed (we purchased a new laptop) and the POS systems working correctly. There have been many "computer guy" needs from Ron during our transition and we thank him greatly, for the many hours he has provided.

## ANNUAL MEETING

We will send out the date as soon as possible for the Annual Meeting. *Planning for the end of April, hopefully a Saturday to tie in some golf!*

**We will need to elect new Board Members at the Annual Meeting.** Please put some thought into helping out and being on the Board. If you have an interest, please email [info@purplehawk.com](mailto:info@purplehawk.com) and let us know. We are short one Board Member this year, but will need at least two more, possibly three for the coming years. The term for a Board Member is three years.

## SUPERINTENDENT

**Scott Melby** has been busy prepping for the 2022 season. In addition to getting equipment ready for the season, Scott has a small group working to fix the ramps on the #2 bridge, hoping to be completed by the beginning of the season.

## MEMBERSHIP RATES – 2022

There have been a few questions regarding membership rates and cart rates for 2022. The rates are the same as 2021, but there have been a few who paid a different amount in 2021 from what our rates show. These were not significant differences, but we will need to stick to the actual rates going forward. We sincerely apologize for any misinformation in the past.

We are no longer offering the 3-year new membership program. Those that purchased the program will have their 3-year rates honored. No additional offers of the program will be made.

## CHITS

**Diane Anlauf** has been working diligently trying to update emails, as many are incorrect. At this time, she is updating email addresses from your membership application forms. Thank you all for completing them! She has also emailed many members with **updated chit balances** from 2021. If you have not heard from Diane and feel you had remaining chits, please email [info@purplehawk.com](mailto:info@purplehawk.com) and she will respond to you. As a reminder, the carry-over chits from 2021 is a one-time situation. The 2021 chits need to be used by June 30, 2022. Chits received in 2022 will be good through October 31, 2022.

## Carts

There has been some miscommunication regarding cart fees. When you purchase a 1/2 cart for the year, you are only paying for the use of one person on the cart. That person is you. When you purchase a full cart, you will have two names that are on the cart rental for the year – those two names can ride a cart any time. Should you be without your "other half", the person riding with you will need to purchase a 1/2 cart rental for the round.

We will be creating a new system for the return of carts as well. The carts need to be cleaned after each use and keys returned, showing the cart is back. Once we have a full system in place, we will inform everyone.

## Hawks Nest

At this time, we anticipate the Hawks Nest remaining with the golf course, being run by **Jimmy Calaman**. Food and beverages will be similar to last year.

## NOT FORGOTTEN!

We did not have a newsletter at the end of 2021 to congratulate our Club Champions! You were never forgotten, just no newsletter to say GREAT JOB! **Janet Buchholz** has earned the right to park *right in front* for a whole year! Wonderful tournament and excellent play by Janet! There isn't a picture of our Men's Champion, **Ty Lilyander** or our Senior Men's Champion, **Pat Brogan**. They both had an outstanding tournament weekend!

## SUMMER JOBS AVAILABLE

We will be looking for help in both the Hawk's Nest and the Pro Shop.

Jim Carlson will provide more details, but we do know we need a "cart crew" and "counter crew" in the Pro Shop. We are also in search of a weekend "Starter". For our younger kids, the **carfts** are a great way to earn some extra summer money! For the high school kids, the Pro Shop is an excellent **customer service position** that will look great on a resume! For the "older" folks looking for some spending money, what could be better!

Pro Shop staff will receive a discount on golf – nice perk!

## FLOCK TO THE HAWK

Mark your calendars and save the date! **SATURDAY, JUNE 25!**

## TOURNAMENT COMMITTEE

Committee members are Todd & Leah Schoenecker, Jon Dunbar, Jon Pesicka, and Jeff Chromy, led by Jim Carlson. The tournament dates have been set and will be posted on our website soon. There will be updates to these, as there may be outside tournament requests as well as internal events that are not listed. We will keep you informed throughout the spring.
